Sure you can increase my bill 80% when you start paying my mortgage! Have you had a pay raise in the last 3 years? I haven't....but everything is being priced out of sight. What are you smoking? Get real...you can't even read a meter with your poor management of the City right now!

How about timing these downtown traffic lights so I don't have to spend gas idling while no traffic is moving?

How about repairing instead of patching there streets? Yes, 5 years of complaining about Arborgate Circle and it's gone unheard. One BIG sinkhole!

How about following thru with what was promised as far as new road, curbs and sidewalks for Gills Creek Parkway that was supposed to have been done last year? The city buses are still driving all over the lawns here!!!

Sure go ahead and raise my rates but when you do – remember to pay my mortgage FIRST!!!!!!

No wonder this town is 30 years behind the times.
